## System Requirements For Xenia Web Browser:

Rift for macOS 10.7+, is an absolute beast of a game, so be prepared for a pretty solid i5 processor and plenty of RAM. While we haven't been able to test this game on a Mac, we've come across a lot of people who say it runs pretty well on Macs. This being said, we're not 100% sure if this is an issue with the game or the Mac. If you aren't familiar with our games, we have designed our games to run with pretty low hardware requirements. We
